

ABOUT ME ... *Mary Macalino*

Mary Macalino - Singer / Vocalist

My given name is Mary Anne, but I chose to use my nickname “Peng” as my stage name to add a more personal and meaningful touch to my performances. I’m a wedding and events singer driven by a genuine love for music and a sincere dedication to making your special day unforgettable. While I’m new to the professional wedding scene, I carry over two decades of singing experience into every performance.

My versatile vocal background spans pop, soul, ballads, disco musicals, and rock, allowing me to adapt to a wide range of musical styles and moods. My singing journey began at age 13 when I joined the choir and quickly became one of their soloists. I later honed my skills as a vocalist in Cube Band, an all-Filipino band based in Singapore, which helped me build both my confidence and vocal range.

Over the years, I have performed in school musicals, summer camp productions, and Join West End musical theatre programs, enriching my stage presence and versatility. Currently, I am the lead singer of the pop-rock band Mixed Haven, where I continue to grow as a performer.

I’ve had the honour of sharing my voice at weddings, corporate events, and parties across Singapore and Northern Ireland, and I’m excited to bring that experience and passion to your celebration.
